Merry Christmas

Ministry Praise

It's hard to believe that another year is at its end. We praise the Lord for the many opportunities of service this past year. We are looking forward to being able to set dates soon for 2007. We are currently working with pastors in Florida, Washington, and Bro. Frye in Texas. Please pray for these churches as they continue to deal with codes, permits, etc. It can be a very timely, costly, and frustrating process for them. Although my health is not what it used to be, I am very thankful to be able to continue in the work that God has called me to do. Thank you to all that have been faithful to pray and support our ministry. Without you, we would not be able to go. Thank you to all of you that sacrifice your time and finances to help on projects. As always, it is a blessing to labor together with you.

David

We are thankful for God's blessings and hedge of protection on our family. Our new grandbaby, Cooper, is precious. Words can not describe the joy it is being a grandparent. From our family to yours, we wish all of you a very Merry Christmas and Happy New Year.
