East Somerset Baptist Church 3rd quarter report  
345 Pumphouse Rd  
Somerset, Ky 42503

As the old saying goes, "a picture is worth a thousand words," we wanted to share with you the summer project in Mississippi, where Bro. Tom Rossi is pastor. As you can see, there is a job for everyone: the young, the old, the skilled, the unskilled. It's not only a time of building, but a time of teaching, a time of learning, a time of fellowship, a time of preaching and singing. It's a time of making oneself available to be used of God. What a blessing the youth group from East Somerset were! With everyone working together, we were able to get all the interior walls up, rough electric and plumbing in, and most of the sheetrock hung.

We are still working on preliminaries with several churches. As of now, we do not have any dates set. We hope to be ready to pour concrete in Knoxville, TN this month to prepare for their building. Please pray for these churches as they struggle to get financing, plans, and permits.

Thank you for your continued prayer and financial support.

Laboring together,

David
