Dear Brothers and Sisters in Christ,

Greetings in the name of the Lord Jesus, who gave himself for us. To Him we owe everything.

I am very thankful for our friends in the Lord. Of late I have meditated on the experience of our meeting together with Jesus.

Traveling about and meeting the Lords people we are always in a rush. There was always the feeling of wanting to spend more time in fellowship. The time is coming when there will be no interruption of fellowship.

Presently I am recuperating from the knee replacement. Taking exercise each day.

Of late I have had trouble with my back. So I am set to have surgery . In this matter I do hope you remember me in your prayers. I have to put this before the Lord daily for the victory over worry. I have heard of so many back surgeries that have not turned out well. Its all in the hands of the Lord. I am at peace believing that whatever the outcome He is in control. I am in His hands. I do hope to be able to walk without pain.

Presently I walk with a cane. As I get stronger I will not need that.

The Lord uses means like doctors and so forth. But nothing is of any avail without the prayers of the Lords people. So please remember me at the throne of grace.

I am back to preaching three times a week. We have been studying a series on the life of Joseph. It has been wonderful. He is a type of the Lord Jesus. And a type for his people. Joseph's trials show us that we must thru much tribulation enter into the Kingdom. We are being trained to rule when Jesus comes back. Joseph never gave up his dreams an all those troubles. If he would have given in we would never have heard of him.

Brothers and Sisters it cannot be very long until the Lord returns to gather us unto himself.

*Thanks very much for the Sept + Oct. offerings of \$50<sup>00</sup> each.*  
Sincerely Yours in Christ Jesus,
