Dear Brothers and Sisters in Christ Jesus.

Greetings in His name.

We have been having good services. Most of the colds etc. are over. There seems to be renewed interest. More concern in prayer for the lost and doing visitation.

On another matter I notice a lot of interest by the media about the coming of the Messiah. They drag up medieval pictures of the book of the revelation, and say that armageddon is the end of the world not this age. However it will be the end of their world. All these misconceptions and publicity will surely produce the scoffers who say "Where is the promise of His coming.?"

I believe there is a feeling even among unbelievers that the world situation is getting beyond human control. That is why the world will so willingly accept the anti-christ. For the word says he will by peace destroy many. That is by the promise of peace cause many to follow him.

Next week all 4 of our children and some of our grandchildren , yes even great grandchildren will gather here for our 50th wedding anniversary. It will be a grand reunion. Our 50 yrs. Seems so short. We have always sought to do the will of our father. The Lord has let us all the way.

We are grateful for all those who have sent congratulation cards our way.

We can look back and see how the Lord has lead us all the way. The turns and timing of His providence has been amazing.

My back gives m e pain when I walk. I just cannot bring myself yet to have an operation as long as I can stand long enough to preach a message. Also , to not have pain when I sit then I will go on as I am. If it gets worse than that then I might have an operation.

When I see those who were in rehab. with me and two friends who have had strokes and one with M.S.M. I am very very thankful for my health as it is.

Thank you very much for the april offering of \$50.00

Sincerely yours in Christ Jesus,

Edgar D. Sullivan
