Dear Brothers and Sisters in Christ Jesus,

Greetings in the name of Jesus,

The past month has been very eventful.

. All of our children gathered in. Since it was past our anniversary date I suspected nothing. There was the usual dragging out and copying of old photographs.

My brother came up from Texas with his two daughters. They had a box of old family Photos. Still I suspected nothing.

It was wild here. The children always pull out things they have stored here for years. They cull, trade, pack to mail or throw away. Stuff.

Then we were to have a catfish supper together. Where I ask? No one was definite. I was getting a bit miffed.

Then we drive out in the country where there is no restaurant.

Finally we came to a large catering business. When we walked in a large crowd greeted us by shouting "surprise"! and it really was. So we ate, viewed a slide presentation of our family history, took a group picture and enjoyed the time together.

I have been visiting a brother with emphysema. He is in the last stages, but has the victory in the Lord. We mentioned how many times old folks pine away lamenting that they are too old and weak to do anything worthwhile. We read Psalm 71, and noted verses 9&18. We also noted 84 year old Anna in the temple Luke 2/37. She was one of the few who got to see the Christ child. The Lord receives us because he loves us. Not because we are useful. Besides there is no age limit on prayer.

Thanks very much for the May offering of \$50.00

Yours sincerely in Christ Jesus,

Edgar D. Sullivan
