Dear Brothers and Sisters in Christ Jesus,

Greetings in His name.

Today is the day the Lord has made. Let us rejoice and be glad in it.

Our concern this month is with Glenn Ethridge. He is not a member but has attended our services for sometime. Recently I ask prayer for him.

After all his cancer treatments he seemed to improve and gain weight. He had a relapse., then improved enough to attend church. Then the last radiation treatments put him back in the hospital.

I visited him there recently and spoke awhile of Jesus. His testimony is that when he was 17 yrs old he was saved but was not baptized. Shortly after he went north to find work. So he has ask for us to baptize him. We will if he recovers enough to leave the hospital. Humanly speaking he is on his death bed. In his brief time of recovery he may have missed his chance to be baptized. At this time he is improving and the Lord may give him another chance.

I explained to him that his intention to be baptized would not be accepted for the fact. His confidence is certainly in Jesus as his savior. We have come to love this man.

I pray for the leaders of our nation because of I Timothy 2/2. I also pray that our men and women should be protected in harms way. All this has become more personal since one of our own has gone into the service.

May the Lord give you good services.

Thanks very much for June offering of \$50⁰⁰

Sincerely yours because of Jesus,

Edgar D. Sullivan
