Dear Brothers and Sisters in Christ Jesus,

Greetings in His name.

We have had a number of visitors in our home of late. It is a delight for us.

While traveling about going to and returning from Japan we stayed in many homes. Their gracious hospitality was a tremendous encouragement to our hearts.

So we have set our selves to plan for missionaries, preachers and those who are traveling through to stay with us. As 1 Pet. 4/9 says. "Use hospitality."

The recent hurricane in Louisiana has made us all think of the devastation mentioned in the book of revelation. Looking back over the past 60 years I can see a development *tendency* toward spiritual decline. We would pray for a great revival to stem the tide, but it seems matters are beyond any human help. We must say. "Even so come Lord Jesus."  
Rev.22/20.

Personal godliness seems to be shallow. As an illustration. When I was saved no dedicated christian went to the movie houses. To some it may sound like legalism but it certainly did not help spiritually. Nor does it now.. Paul said it is high time to awake out of sleep. Rom.13/11.

We must take each day a time. As someone has said. "We do not study prophecy in order to prophecy." *But to be prepared.*

The cry of the world for peace is increasingly louder all over. No present ruler of any nation can produce it. But the antichrist will by "peace destroy many." Dan. 9/25.

It seems I shall be compelled to have back surgery. Please pray for me.

*Thanks very much for the Aug. offering of \$50.00*  
Sincerely your in Christ Jesus,

*Edgar D. Sullivan*
