Dear Brothers and Sisters in Christ Jesus,

Greetings in His name,

There is a song that goes something like this; If your heart keeps right, If your heart keeps right there's a song in the darkest night." Jesus said to each of the seven churches in Asia. "He that overcometh shall ;;; That's the need of the hour. To get the daily victory in Jesus.

We have had it demonstrated here among us. One of our members has physical problems that the doctors cannot solve. She has even gone to Mayo Clinic. Her case is humanly hopeless, So we have covenanted together to pray for her. She is battling depression. Her name is Diane if you wish to remember her in your prayers.

We have had quite a few visitors and visiting preachers. It has been a joy.

My second eye surgery turned out better than the first one. There was no great swelling this time. I still can't read. But I get new glasses soon. I am amazed at how brighter the world is. We thank the Lord for good doctors.

It has been a season for severe colds and bronchitis. It s just expected this time of year.

There have been some terrible world events of late and it reminds me of Jesus words. "These are the beginning of sorrows. How soon these events fade from our memory and we are soothed to sleep by the lulaby of materialism . And thinking it can't happen in our nation. The book of Revelation was addressed to the Lords churches by Jesus himself. There has to be a reason and purpose for that. I do not want to be caught in a spiritual nap.

Thank you very much for your prayers and suipport.

*Thanks very much for the Oct offering of \$1500.00*

Sincerely yours in Christ Jesus
