Dear Brothers and Sisters in Christ Jesus,.

Greetings in His name.

In the last letter I mentioned the brother that would lose his left arm. It seems the arm bone is not as far gone as they first thought. They are still dealing with it but think it will be usable after a time.

We have been having good services .

Two families , eight in all, have joined our assembly by promise of a letter. We are thankful to the Lord for this blessing. We hope to be a blessing to them.

Neva's mother fell, cracked her shoulder blade, and had to be placed in a nursing home. For awhile the family was able to be with her 24 hrs a day. But could not continue after the fall.

Everyone here has a pretty severe cold that is going around. It is hard to get rid of. It really wears you down.

The bible studies and services go on apace. With the new members and others who have repented make for some really good services

Like so many these days interest in the return of the Lord is high. Well the Lord always has his people know first.

I am very grateful for your continued concern and help.

Thanks very much for the Sept + Oct offerings of \$50^{ev} each

Sincerely In Christ Jesus,

Edgar D. Sullivan

Please pray for us. The situation with Neva's mother has been an ordeal. E.S.
