Dear Brothers and Sisters in Christ Jesus,

Greetings in His name,

We are having good services. The new members are a joy to fellowship ~~with~~.

When the two excluded members repented and returned to the Lord it sort of gave us a revival. They had been excluded years ago.

One is studying with me every Tuesday evening . He is doing well teaching Sunday School.

Secretly I am praying the Lord will call him to preach the gospel.

We have had a lot of sickness. I was unable to preach for four services. It was like the flu.

Neva's mother fell at the nursing home and broke her hip. She had to have surgery on it, and has now returned to the nursing home.

Her children take turns to be with her each meal time.

At our services two themes seem to be emphasized. One, is the importance of worship. The second the need for us to pray more for others and give our hearts to praising the Lord.

And it is fitting this year end. We look back and remember and praise the Lord for what He has done. We thankfully raise our Ebenezer because we have come this far. And He has brought us our that He might bring us in, and He will.

I am going to wait til next month to contact the surgeon who is dealing with my back problem. I have not been doing well.

Please continue to remember Neva an I in your prayers.

Thanks very much for the November offering of \$50⁰⁰

Sincerely in Christ Jesus,

Edgar D. Sullivan
