Dear Brothers and Sisters in Christ Jesus,

Greetings in His name.

I have been checking the attitude of my heart. Because I am annoyed. So I have been reading to see if Jesus was annoyed.

My problem arises from such things as the Da Vinci Code.

It is presented as the real truth about Jesus. These men are so called experts who pull up trashy writings implying it is the real hidden truth..As if those who witnessed Jesus life .
Covered up sin in his life.

They consistently imply that Jesus was not the sinless son of God. But an imposter, a mere man.

They also imply that the gospels are not complete or trustworthy.

Their authority comes from two sources. First, these writings "recently discovered" were written by people like themselves. In every age of church history there have been such writings. Secondly, their claim for their authority is that they are professors in some theological seminary or school. The schools may be secular or religious etc, One thing is obvious. They love not the Lord,. I Jn. 2/22.

We are having good services. Our group is small in number, but we all enjoy meeting and praising the Lord.

Thanks very much for the Dec offering of \$50⁰⁰
I am grateful for your help and prayers.

Sincerely in Christ Jesus,

Edgar D. Sullivan
