Dear Brothers and Sisters in Christ Jesus,

Greetings in the name of the Lord Jesus.

I finally made the decision to have surgery on my back. The surgery was done in Little Rock. I was in the hospital 5 days, and in rehabilitation for 10 days.

As usual the recuperation is more tedious than the operation. I have not yet been able to preach or attend church.

It is too soon to tell if the operation was a complete success. I can tell that there has been an improvement. I will be wearing a body brace for 6 weeks.

In the meantime church members have come forward to carry on services. And have done right well. They surprised themselves by doing so well.

We are having good services. We are grateful for this. Where Jesus is preached and our children hear of Him each service.

Thanks for the Fris offering for B.S.D.
Praying the Lord to give you good services and unity.

Sincerely in Christ Jesus,

Edgar D. Sullivan

At my last visit to the doctor I learned I was to wear this body brace for 6 months, not weeks.

I was in the hospital five days and rehabilitation for 10 days. It was an ordeal. The Lord is good!
