Dear Brothers and Sisters in Christ Jesus,

Greetings in His wonderful name.

I am grateful for your patience.

It is very interesting that these days Israel is so often in the news. Jerusalem is located at the crossroads of three continents. And that is where the Lord will return to this earth soon.

In a recent publication it mentions that the Jews are turning from the Law and looking for a Messiah as their only hope.

And that's our hope also. So we are to stay awake and watch.. The news media is not what we are to watch. But if our hearts are right the Lord will enable us to "See our signs".

The war in the Middle East can explode into a larger one at any time. And develop into the end time scenario. Even so come Lord Jesus.

I had been away for three weeks. I was invited to preach at a missions conference.

I realize now it was too soon after my surgery. The doctors fused the two bottom vertebra and decompressed the three above that. I have pain yet, but nothing sharp or severe. I'm wearing a brace a foot wide around my midriff. I am to wear it for three more months.

While in rehabilitation they discovered I have pernicious anemia. It means a low red blood cell count. This is why I was so weak. I now take B12 shots once a month. Neva gives them to me. It works wonders. Without it I can hardly think or do anything.

So I am back preaching the gospel. We are having good services and some people experiencing the victory of faith.

I pray that the Lord is giving you good services as you wait for His son from heaven.

Thanks very much for the March & April offerings of \$50.00 each

Because of Jesus
