Dear Brothers and Sisters in Christ Jesus,

Greetings in the wonderful name of Jesus,

When we come to years end it is proper to remember what the Lord has done .

We think of those who have been saved. Those who had re-dedicated their lives to the Lord recently.

There are some in our membership who are near death. But they have the victory in the Lord. One brother is impatient to go on and join his wife.

I have been teaching the book of Job. It is timely. It will always be someone who will ask "Why do the righteous suffer"? If Job would have known he would have needed no faith. He was a righteous man when his tests began, but a better one when he got to the end.. We think of his suffering , but James mentions his patience as most prominent. The Lord gives us rough times to polish our hearts.

The Lord has given me a brother to help me. I am teaching him several nights a week. He is teaching Sunday school now. He is a great blessing to us all. He had been away from the Lord for years. However, since he was converted he now strengthens the brethren. Luke 22/32.

We have a baptist family who have started attending regularly . We hope they join with us.

Brothers and Sisters I would exhort you to give the utmost attention to the warnings in Gods word concerning His return to earth. The Mid East pot is boiling. There is where Jesus is to return. All the focus is on the Near East. We can know the seasons if our hearts are right, and be ready to step into His presence.

I appreciate your prayers very much.

I have pernicious anemia. I get very, very weak. I am grateful to be able to continue preaching the gospel.

*Thanks for the November & December of \$50<sup>00</sup> each*  
Sincerely yours in Christ Jesus,
