Dear Brothers and Sisters in Christ Jesus,

I have been much in prayer for our nation.

Having lived many years under another flag has given me a greater appreciation of my citizenship. This takes nothing from my citizenship in heaven. Phil. 2/19.

Our nation was founded on christian principles . The Lord has established our nation because of the practice of freedom of worship and not hindering local churches.

In church history when these principles are not allowed persecution and secret meetings will occur. Forty years ago I would have said this would be ridiculous to consider happening here. Now I am not so sure.

It is a strange turn that the sides who fought the crusades of the middle ages are at it again. Then it was to recapture Jerusalem from the Muslims. Now it is just the opposite. The Muslims are after Jerusalem. Both will war on until Jesus returns and rescues the Jewish nation. Zechariah 12th chapter.

In a personal matter. My wife is well. Her mother has been transferred to another facility. She suffers from vascular dementia.

We have a delightful spring here. The folks seem to be getting over colds, flu and aches.

We are reminded that spring is a figure of the resurrection . My, what a time of joy that will be.

Thanks very much for the Feb. offering of \$50⁰⁰
Sincerely in Christ Jesus,

Edgar D. Sullivan
