Dear Brothers and Sisters in Christ Jesus,

Greetings in His name.

We have started teaching the book of Revelation. We are taught by Jesus to not allow our hearts to be distracted by violent events. Such as wars and rumors of wars. But on certain other matters we are to "Look up for our redemption draws nigh".

We must consider that when end time events start happening matters will move swiftly to the conclusion. And the scriptures seems to tell us if our hearts are not right with the Lord it will be too late to get right. The words of the song: If your heart keeps right there is a song in the night: The darker the night the brighter are the Lords promises. 11 Peter 1/19.

I appreciate your prayers on my behalf. I believe I am strengthened by them. I preach three times a week. Oft times at the edge of my endurance. But a very special blessing at my age.

When the Lord called me to preach the Gospel I promised the Lord to do so as much as providence opened opportunities.

Please notice that we have changed our mailing address. We did it for reasons of security.

All the recent tornadoes missed us. They passed north and south of us. It got to be a regular routine. When the siren goes off we gather pillows, flashlights etc. and trudge to the storm cellar. Our neighbors come in and we trade local news until the "all clear" siren.

We have had a special blessing. Our grandson Sean has trusted the Lord and will soon be baptized.

*Thanks very much for the April & May offerings of \$50 each.*  
May the Lord of the harvest give you good services.

Sincerely because of Jesus,

*Edgar D. Sullivan*
