Dear Brothers and Sisters in Christ Jesus,

Greetings in the name of the Lord Jesus,

This month has been an eventful one. There has been 2 more additions to our small group. Both by baptism. I praise the Lord for his goodness. It also brings a feeling of responsibility to teach them the word.

I am also teaching a brother who has been called to preach. It is a joy! I still preach 3 times a week and teach once a week.

My 80th birthday will be Sept. 1st., and I praise the Lord who enables me to carry on.

I appreciate my United States citizenship. I say that to bring up the fact that national elections are due soon. It is imperative that the Lords people vote.

Not only so we are told to pray for all those in authority. The reason is that we might live in peace, preach the gospel freely and have unhindered worship services. We have always held up for freedom of conscience. I Timothy 2/1-4.

We know that the Lord is over all Kingdoms. This is one of the lessons King Nebuchadnezzar learned. Daniel 4/17.

We may well be anxious for what is coming upon our nation. But the answer and resource is to pray for our leaders. God still watches and moves over the nations of men. He is in control.

I seems to me that the days of Noah are upon us. The moral breakdown of our society will be noticed by the Lord as it was in Noah's day.

I have also felt that when matters get to where no one is saved the Lord will return. His patience and forbearance prevails because He is not willing that any should perish but that they would come to repentance.

May the Lord of the harvest give you good services.

Thanks very much for the June offering of \$50.00

Sincerely in Christ Jesus,

Edgar D. Sullivan
