January 5, 2004

Another year gone! Last year was one of the busiest years yet or at least it seemed that way. Every since God has allowed us to work in this ministry we've been busy, I guess that keeps us out of trouble. This year we'll be busy too but with a little extra help. God has blessed by calling David Ennis on to this field of labor, we'll be working together and hopefully be able to accomplish what God has in store for us. I'll be in Martinez the rest of this week and then back home working on the framing in Clovis and then the week of the 26th I'll be up in Redding helping the Shasta church with some electrical.

We're still working on the Vanuatu trip for April 15th - May 15th with two teams going one the first two weeks to pour the concrete and get ready for the second crew and the second team coming the last two weeks to put up the buildings. Volunteers are still needed and if your interested please let Kim @ Macedonian office know PH.606-677-6683

There is also a Macedonian project scheduled for March 27th – April 2nd to help the Riverside church in Phoenix Az. We'll be working on the roof and should only need aprox. 20 if you're interested let us know.

We're in the process of trying to sell our fifth wheel so that we can purchase a newer one that will fit our needs better. Please pray with us that our current fifth wheel will sell and that we'll be able to get into the other quickly.

Thank you for all your prayers and support through the years it means the world to us. I pray that the Lord will richly bless you for what you have done for us.

In Christ,
Richard & Family
