Since it's only been a couple weeks since I made my last report I'll keep it short. I've been working with the Clovis MBC. We poured the last of their sidewalks this past Thursday. YEAH!!!! We'll be working on the electrical and framing upstairs next week. I'll be spending a couple of days at our state association meeting the following week and then spend a couple of weeks at Woodbridge. They are currently working on Saturdays and still have lots of framing to do.

The Ennis's will be leaving Florida next week, keep them in your prayers as they travel home and as David continues to heal.

Keep our trip to Romania in your prayers as we try to work out the details. Help is needed in order to pay for the travel necessary for this trip.
