September 9th, 2008

Hello everyone from the Wharton's. Since our last report we have just been working around home which has been really nice. John Thiem and I re-roofed the Godbehere's roof at the hottest part of the year, so we started early everyday to try and beat the heat. After that I helped the Clovis Church re-frame several windows that had severe dry rot. It took us a couple of weeks but they turned out nice. While re-roofing the Godbehere's their neighbor came over and wanted me to give him a bid on re-roofing their roof. I did and they accepted the bid, and so I did another roof. The extra money I made from that helped to pay down some of our travel expenses and the DMV fees for the truck. I'm getting ready to start some remodel work in the kitchen / fellowship hall at the Keyes church where Rick Hunt is pastor. It will probably take a few weeks to complete.

We were also able to visit a couple of our churches that support this ministry and share what's been going on. If you would like us to come and share the work with your church, please contact us. We would love to share the work with you.

Please keep us in your prayers, for safety, travel expenses and for health needs.
