

The Daniel Rogers Family

Missionaries to Mozambique, Southern Africa

November 2004

Dear Brethren,

We have been working on new residence documents ever since our return to Mozambique, and the Lord willing, we will have them within days. Since our return, my work has consisted in working with the brethren in Trevo, discipling some of the young men there, visiting in the community, tract distribution, and finishing a tract for printing. Recently I had the tract printed, titled, "Saving Faith," of the series, "The Truth Shall Make You Free." I had 30,000 copies printed. Besides distribution in Trevo, we have distributed also here in Machava, where we live, and in another nearby town, called Boane.

Concerning the work in Trevo, it is becoming more stable, with some manifesting growth in the Lord, and in general a better understanding of the function of a church. The Lord willing, we plan to constitute a church soon, possibly by the end of the year. From the beginning this work has met in homes of members, but needs its own permanent meeting place now. Recently we have looked at several lots for sale, and could buy a property with a small house on it, having a couple of large rooms that would be adequate to meet in for awhile, for a little over \$6,000.00. We had a special service on Sunday, October 3, and I asked three of the young men to preach, including our son, John. All three preached good messages and the brethren were blessed and strengthened. We then had dinner together and an afternoon of fellowship. There were 40-45 people present. Last Sunday two young men in their early twenties publicly professed faith in Christ, and asked for baptism and membership. We plan a baptism for Sunday, November 14, for which we will go to a nearby river.

Thank you for your faithful support, prayers and fellowship in the gospel.

Prayer requests:

1. For my family and me
2. Special prayer for the work in Trevo
3. For faithful men
4. For the whole country of Mozambique. It's made up of ten provinces.
5. For missionary helpers

In Christ,

Daniel A. Rogers
