Dear Bro. Willie and Bethel Church,

Happy 4th of July!! We're enjoying the day with our missionary friends from South Africa, the Norberg's. They got in here from South Africa Saturday night, bringing John and Priscilla home. We left them with Norberg's when we left to come on over to Mozambique, as they wanted them to stay longer. It's good to have them home again and they're happy to finally be home. Yesterday morning Bro. Gary preached for our services in Trevo and I interpreted for him. One of the young men gave the Bible study previously.

Thank you for the update letter on the automobile fund. I don't believe I ever directly thanked the church for taking on this project in our behalf. I know I did to Bro. Willie early on, but began wondering if I had to the church as well. We do appreciate so much Bethel doing this, with all the work involved, and thank you for your own offerings toward this fund. The Lord bless you.

No offerings were given directly to the auto. fund while we were in the USA. We were only able to visit a few of our churches while home, a couple in Mississippi including our home church, plus Corinth and Rock Hill in Louisiana. However, Bro. Steve Montgomery informed me that Corinth would be sending an offering soon, which I suppose has already been sent.

Please pray for our home church in Hattiesburg as she is seeking a pastor. Bro. Sammy Popwell had a majority when he was voted on, but not a three-fourths majority. I trust you will have a good meeting with Bro. Lavinski Smith later this month.

In Christ,  
Dan Rogers
