Dear Church and Pastor,

Family Visit

Over the holiday season we received a visit from my parents and my grandmother. It was their first trip to Spain and I believe that it was a good one. They were able to attend the services both in Reus and in Barcelona with us. I was able to preach in the service in Barcelona while they were here. I was glad that they were able to come and see first hand this country and the people that God has laid on our hearts to minister to.

Starting a New Class

Beginning on the 8th of January we will be starting a young people's meeting with the youth in the Barcelona church. I will be teaching the younger group of teenagers. I am looking forward to this as not only will I be getting the opportunity to teach more but I will be able to practice the language. Between them trying to understand me and me trying to understand them, hopefully we will be able to learn some things together. Please pray for us in this respect. I am really excited about this new opportunity.

New Vehicle Provided

As I said in my last newsletter, we are expecting our fourth child in April. This brought about the need for a larger vehicle for us. I am happy to inform you that the Lord has provided us with a relatively new van at an incredible price! I thank the Lord for this and I thank you for your prayers.

Holiday Wishes

I would like to take this opportunity to wish everyone a happy and safe new year. Also, thank you for your faithful support and your prayers for us and the ministry here in Spain. I hope that the Lord blesses all of your efforts in this coming year. Please pray for us as we pray for you. May God bless you.

In Christ,

Nathan Wheatley
